# Dragon city breeding guide rare

Elf + Blizzard 2. List all possible dragons for Difficulty Group. Dragonfly + Terra 2. The only way to breed a legend dragon is to breed pairs of dragons with a Pure element or Legend element. This means that you have about 30% chance of getting ranked legendary dragons, with the rarity booster you will have doubled that amount to 60%. Firebird + Earth 2. Dark Fire + Earth (This combo is significantly better than the other two) 2. This means that it is not normally possible to raise them directly. Because the odds are significantly lower than if you use only the correct parent pair. Earth Dragon Hybrid Generation 1 Earth + Flame = Rock or Volcano on fire or Aztec (Level 15) Earth + Nature = Tropical or Cactus or Centipede (Level 10) or Deep Forest (Level 15) Earth + Sea = Mud or Waterfall or Plankton (Level 10) or Jelly (Level 15) Earth + Electric = Star or Chameleon or Sky (Level 10) Earth + Ice = Alpine Lake or Snow or Great White (Level 10) Earth + Dark = Hedgehog or Venom or Bat (Level 15) Earth + Earth = Justice Earth + War = Colossal Earth + Pure Earth = Pure Earth or Ivory (Level 15) Flame Dragon Hybrid Generation 1 Flame + Earth = Flame Rock or Volcano or Aztec (Level 15) Flame + Sea = Flame Cloud or Blizzard + Nature = Firebird or Spicy or Paradise (Level 10) Flame + Electric = Laser or Hot Metal or Music (Level 10) or Aurora (Level 15) Flame + Metal = Medieval or Steampunk or Carnival (Level 15) Flame + Dark = Vampire or Dark (Level 15) Flame + Light = Flame of the Sun + War = Juggernaut Flame + Pure = Pure Flame Sea Dragon Hybrid Generation 1 Sea + Earth = Mud or Cas Fall or Plankton (Level 10) or Jelly (Level 15) Sea + Flame = Cloud or Storm. The best breeding combination for the legendary elemental dragons is to breed together Pure Even for all the legendary ranks of the dragon breed. To get the best odds if you want to mass produce the dragons in the Temple of the Dragon Sanctuary. We expect completely unique dragons to be available in the future. This method results in the highest probability of getting rare hybrids, but the probability of getting a duplicate is just as high. Ice cream + Flame Quake (Land + Sea + War) = 1. Since the hybrid is used in the breeding process, this means you won't be able to get the dragon you want 100% of the time, so just keep trying until you breed the Dragon City dragons you need! Notes: Dragon City Breeding Rarity Booster Just last week in October, the developer of Dragon City opened a new feature called Breeding Rarity Booster that can be used to increase your chances of playing. Derive all possible combinations of elements. Medieval + Mud 2. Please enjoy and share this simple 2014 updated Dragon City breeding guide with your friends! Please note that we have made several improvements to this updated 2014 dragon city breeding guide. Fallen Angel + Cold Fire (Or Other Ice/Flame Combo) Level 4 Play Temple Unlock: Blue (Sea + Flame + Metal) = 1. Medieval + Snowflake 3. Ice + Dark Fire 2. Snowflake + Hot Metal 2. If you have a legend dragon, playing the dragon with element has the ability to produce the level exclusive dragons. At the time of the Dragon City Reproduction Guide update, only unique dragons from the past are currently available in the Deus Vault. Snow Flake + Flaming Rock Nature vs Electric Gummy (Nature + Electric) = 1. As you move through the game, you'll have enough gold to buy more advanced genes to make even more gold.
